HOW TO PLAY

1. GETTING YOUR CARDS READY!

Check your email for your Halloween MashUP Bingo Cards. For each player, there will be 3 pages with 4 cards on each page. Please use **1 page per game** (1 Page=4 Cards).

PRINTED CARDS

We recommend printing your cards:

Easiest way to play and to quickly verify your win.

COMPUTER SCREEN, PHONE OR TABLET

For best results, use Adobe/PDF highlighter function to mark your cards or an app such as Noteself (Mac, iPad and iPhone).

PRO TIPS:

- If using your computer screen, make sure you can see the bingo cards and the game/Zoom window at the same time.
- Try this out before game night!

If you cannot find your cards, please check your Spam and Trash Folders or email info@rhythmix.org for a new set.

2. LET US KNOW WHO YOU ARE

To help us identify you easily when you win, make sure your **First and Last Name** are shown under your image in Zoom.

HOW TO CHANGE YOUR SCREEN

NAME IN ZOOM: If using a computer, click on the 3 dots in the top right corner of your image window and choose "rename." Type in your full name.

HOW TO USE CHAT: In the zoom toolbar (usually at the bottom center of your screen) is an icon that says "Chat". Click on the Chat button to open the Chat window. You can send a chat to EVERYONE or private message to an individual. **Please Note:** If you can't find the chat window, press the Chat button again to reappear onscreen.

3. ANNOUNCING YOUR BINGO WIN

5 in a row in any direction is a BINGO! **There is only ONE winner per game, and the first verified announcement wins.** Here are the steps to ensure we "hear" your BINGO:

- **Important!** Announce your Bingo win by typing **"BINGO"** in the chat to **"Everyone"**.
- Then, unmute yourself and yell **"BINGO"**!
- When we have identified and spotlighted you, announce and show your numbers onscreen for verification.
- Rhythmix will follow up with you in Chat to verify your snail mail and email address so we can send you your prizes after the event.

2 screen views: **Gallery View** (to see all players) and **Speaker View** (to see the active speaker).

HOW-TO: In the TOP RIGHT of your Zoom screen, there is an icon of one box or a grid of boxes. Press this icon to toggle back and forth between views.
